## Gas Resistant DPC Declaration of Performance

Reference: M-DOP06	
1. Unique identification code of the product-type:	Gas Resistant DPC
Type, batch or serial number or any other element allowing identification the construction product as required pursuant to Article 11(4) of the CPR:	· · ·
3. Intended use or uses of the construction product, in accordance with the harmonised technical specification, as foreseen by the manufacturer:	A damp proof course material to prevent the migration of moisture from external sources, in both brickwork and blockwork structures.
<ol> <li>Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):</li> </ol>	Cordek Ltd, Spring Copse Business Park, Slinfold, West Sussex. RH13 0SZ
<ol><li>Where applicable, name and contact address of the authorised represen whose mandate covers the tasks specified in Article 12(2):</li></ol>	Not Applicable
<ol><li>System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:</li></ol>	System 3
7. In case of the declaration of performance of the construction product covered by a harmonised standard:	Information available upon request
- name and number of notified body:	

Declared Performance:		
Essential Characteristics	Performance	Harmonised Standard
Reaction to Fire	F	EN 14909
Water Tightness	Pass	
Resistance to Impact	250mm	
Resistance to Low Temperature Flexibility	-40°c	
Durability (Artificial Ageing)	Pass	
Durability (Alkali)	Pass	

The performance of the product identified in points 1 and 2 is in conformity with the declared performance. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed on behalf of the manufacturer:

Name Simon Poole Position Business Development Manager Date of Issue February 2018

DISCLAIMER: Information contained within this 'Declaration of Performance' is for guidance only, and it is intended for experienced construction industry workers. It contains summaries of aspects of the subject matter and does not provide comprehensive statements of construction industry practice.
